BEAUTIFUL CLOAKS FIND HAPPY OWNERS

—AND—

*The Parcel Delivery Companies are Kept
in Constant Service.*

It is an Hour with us when the Incentive to Close Out These
Lines is Stronger Than Our Desire for Profits
or Even First Cost.

You may not have needed a Cloak before. If you
have you can enjoy the satisfaction that by waiting a
little you have saved a good many dollars on your pur-
chase, and that your garment is as fresh, stylish and new
as those who purchased earlier.

We have been many years in business and will back
our reputation (and we prize it highly) that there never
was SUCH A TIME AS NOW TO SAVE MONEY ON
CLOAKS.

Now, while we are having a pleasant chat with the
ladies, we want to say a word about those "AGENTS"
SAMPLES OF HOSIERY AND UNDERWEAR." Per-
haps you do not understand why we are offering these
standard goods so cheap. A manufacturer's agent,
rather than return his samples to the factory and there-
by accumulate odd lots, prefers to unload them even by
sacrificing some money. We bought them at OUR
PRICE, not the agent's, and HASTEN TO GIVE OUR
PATRONS THE BENEFIT. They are perfect goods
(samples always are) and win you attention without
even an invitation or an explanation.

And now, ladies, we want to have a confidential talk
with you about our method of securing the great bar-
gains announced so frequently through the daily press.
You know that if there is anything in the standard lines
to be had it is at our store, that we do not deal in trash,
and yet our prices are always comparatively lower than
other houses.

We have a resident buyer in New York, that great
center of American commerce, where all products of the
world's industries centralize. Our buyer is given carte
blanc to visit the importing houses, the large jobbers
and manufacturers, and purchase unlimited quantities
when he finds an extra good deal and an under price,
which he does, often sending us enough in one purchase
to completely stock an ordinary store. This accounts
for the great quantities of Linens shown by us during
the week of our Linen Sale. Instead of dividing the
purchase among several merchants, we received it all.
The benefit to purchasers is apparent. More varieties,
more qualities and the cream with the milk. Perhaps
we have tired you with our little talk, but when we are
discussing this subject we never know when to stop.

Our store is full of things that should win your atten-
tion by merit, and yet we are going to tell you about
them from day after day. Come to our store and ask to
see the goods we tell you about in the newspapers.
You'll find them just as we describe. We'll tell you the
truth, the whole truth and nothing but the truth. See
if it isn't so.
